About us

PRIMAKARTA is a reliable partner for big pastery, confectioneries companies and franchises.

PRIMAKARTA is established since 2015 in Europe. As part of a Company with over 30 years of experience, we have used all the knowledges to increase the quality of our products.

We are located with the headquarters in Bucharest, the capital city of Romania and the production facility in Arad - a city located near the border with Hungary.

We achieved great successful growth rate within short period in both Romania and Europe.

We provide to our clients and partners high quality products, latest design, innovation and fine selection of the materials available on the market.

Because we care a lot about the production, we control this procedures through registered labs and international inspectors testing our products before delivery from time to time.

All of our products are made from eco-friendly materials provided by authorized European suppliers and we guarantee enduring good quality.

PRIMAKARTA is oriented towards customer satisfaction and we offer full service support from our specialists through the entire process since ordering until delivery.

PRIMAKARTA produces "smart, professional, fast, and flexible."
